Ilya Kaminsky's astonishing parable in poems asks us, *What is silence?* *Deaf Republic* opens in an occupied country in a time of political unrest. When soldiers

breaking up a protest kill a deaf boy, Petya, the gunshot becomes the last thing the citizens hear—they all have gone deaf, and their dissent becomes coordinated by sign language. The story follows the private lives of townspeople encircled by public violence: a newly married couple, Alfonso and Sonya, expecting a child; the brash Momma Galya, instigating the insurgency from her puppet theater; and Galya's girls, heroically teaching signing by day and by night luring soldiers one by one to their deaths behind the curtain. At once a love story, an elegy, and an urgent plea, Ilya Kaminsky's long-awaited *Deaf Republic* confronts our time's vicious atrocities and our collective silence in the face of them.

Narrative Art and Poetry in the

Books of Samuel John Wiley & Sons
 Over the past thirty years, narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century. Drawing on a decade of conferences and critical seminars on the topic, *The Contemporary Narrative Poem* examines this resurgence of narrative and the cultural and literary forces motivating it. Gathering ten essays from poet-critics who write from a wide range of perspectives and address a wide range of works, the collection transcends narrow conceptions of narrative, antinarrative, and metanarrative. The authors ask several questions: What formal strategies do recent narrative poems take? What social, cultural, and epistemological issues are raised in such

poems? How do contemporary narrative poems differ from modernist narrative poems? In what ways has history been incorporated into the recent narrative poetry? How have poets used the lyric within narrative poems? How do experimental poets redefine narrative itself through their work? And what role does consciousness play in the contemporary narrative poem? The answers they supply will engage every poet and student of poetry.

Bright Lights, Big City Library of Alexandria

The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present.

Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, *Autobiography of Red* is a profoundly moving portrait of an artist coming to

terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." --Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . [Carson] exposes with passionate force the mythic underlying the explosive everyday." --The Village Voice

Poems Signet Book

Faced with the chaos and banality of modern, everyday life, a number of Victorian poets sought innovative ways

of writing about the unpoetic present in their verse. Their varied efforts are recognisably akin, not least in their development of mixed verse-forms that fused novel and epic to create something equal to the miscellaneousness of the age.

Alfred Lord Tennyson POE Young Readers

Ovid's magnificent panorama of the Greek and Roman myths-presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit, The Metamorphoses is a masterpiece of Western culture-the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation,

turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.

Jabberwocky and Other Poems Simon and Schuster

With the publication of *Bright Lights, Big City* in 1984, Jay McInerney became a literary sensation, heralded as the voice of a generation. The novel follows a young man, living in Manhattan as if he owned it, through nightclubs, fashion shows, editorial offices, and loft parties as he attempts to outstrip mortality and the recurring approach of dawn. With nothing but goodwill, controlled substances, and wit to sustain him in this anti-quest, he runs until he reaches his reckoning point, where he is forced to

acknowledge loss and, possibly, to rediscover his better instincts. This remarkable novel of youth and New York remains one of the most beloved, imitated, and iconic novels in America.

A Coretta Scott King and Printz honor book now in paperback. A Wreath for Emmett Till is "A moving elegy," says *The Bulletin*. In 1955 people all over the United States knew that Emmett Louis Till was a fourteen-year-old African American boy lynched for supposedly whistling at a white woman in Mississippi. The brutality of his murder, the open-casket funeral held by his mother, Mamie Till Mobley, and the acquittal of the men tried for the crime drew wide media attention. In a

profound and chilling poem, award-winning poet Marilyn Nelson reminds us of the boy whose fate helped spark the civil rights movement.

Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his

jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut

through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
