Her Gift to Him SAGE

Gender Swap : A Forced Feminization, Transgender Story When chauvinistic Alex walks into a bar, seeing a potential 'conquest' sitting at the bar, he smiles to himself. What he doesn't know is the beautiful woman sipping wine and watching the news on the suspended television set is the formidable 'Anita Grey' the sociopathic dominatrix with a penchant for forcibly feminizing men through various different means. After a brief conversation confirms Anita's initial assessment that Alex needs to be taught a lesson, he unwittingly becomes a guinea pig in a sinister experiment, testing a new drug, so powerful it can transform a biological male into a biological female overnight. Distraught, to find himself waking up in a female body Alex struggles to cope and to accept his fate. Not completely without compassion, Anita after subjecting her test subject to a variety of humiliating medical procedures to make sure his transition has gone smoothly, begins helping to guide, counsel and reassure him, helping him to embrace his femininity and counselling him over the loss of his male sexual organs. When Alex finds out there is no way back, he goes on a self-destructive rampage, almost leading to him becoming a victim of 'date-rape'. When Anita hears about this ill-treatment of her latest 'test-subject', she sets out to wield the sort of life-changing revenge only she can... *Warning this 29,000 word novella contains depictions of forced gender change, graphic medical procedures and various fetish elements. It is NOT for the prudish or those offended by these topics!* (It reads very well as a sequel to the novella ' Femdom : The Dressmaker') Transgender, Gender Swap & Gender Bender Titles by the same author:- The Clinical Trial (With 'The Receptionist') The Tormentress and the Boss Slavery: Part 1 : Captured! Two stories of female domination, forced feminization and male chastity. 'The Hypnotist' & 'The Male Bridesmaid' The Male Bridesmaid: Gary is addicted to Kindle Erotica, and has some fairly extreme sexual fantasies. His girlfriend Alison doesn't approve, and decides to give him, 'aversion therapy' whereby she will dish out his fantasies to him in such doses that she forces him to dislike them. The trouble is, Alison starts getting a taste for keeping him locked up in his chastity device and wearing ladies clothing... By the time Alison and her twisted sister, bully Gary into being a bridesmaid she doesn't want to stop... All the while Gary is helpless to obey the whims of his female tormentors, because he's wearing a clever, remote controlled electric shock device in on his cock. When Alison decides to force him to orgasm against his will, she chooses to force-feed him his own semen to further his aversion therapy. When it comes to the crunch and he's offered a choice - which life will he choose? The Hypnotist : Denise and Alex had a great relationship, now it's becoming stale though and Denise wants to liven it up by engaging in some kinky fun... With her as the dominant of course. Alex isn't interested. Denise gives up the ghost and books Alex a course of 'smoking cessation' sessions with a renowned hypnotist. He's been trying to quit for years so is happy to give it a go. However his memory of the sessions is very hazy, and he finds himself more and more interested in Denise's fetishes... Whenever he starts to suspect there's more to Dr Eve's hypnosis sessions than 'smoking cessation' he finds he forgets what he's thinking about... Contains chastity, forced femme, pegging, forced oral, sensual mind control and brain washing. ~ Also includes a free preview chapter of 'Crossdressing: Schoolgirl Domination'

Stephen is 22 years old. An heir to a vast fortune. But, it was held in trust under his Aunts control. The lazy, undisciplined heir to a fortune soon finds himself under the charge of a Governess hired by his Aunt. The Governesses job is to break a lifetime of poor habits while he is trained in advanced studies. The Governess decides she will use petticoat methods on Stephen. Petticoat punishment is when the male is coerced into dressing in female attire. Then he is PUNISHED. Punishment by definition means things he HATES and would NEVER want to experience again. Petticoat training is designed to induce sexual excitement. When a male gets turned on by dressing this way, it creates a euphoric ecstasy experience. The same experience as taking cocaine or opioid pills. The same reward centers of the brain are intensely stimulated. An addiction that is even more powerful than drugs. Just looking at a woman, dressed in everyday attire, now serves to stimulate these desires. Once they experience this, even one time, they become hooked. They now cannot be KEPT OUT of girls clothes. They want more and more. Helplessly addicted. Unable to control the desire to experience the euphoria another time. From the moment Christine took the position of his Governess, she knew she would petticoat punish him. But she wanted him fully completely petticoat trained first. Why? The reason was obvious. A very rich heir under an extremely powerful addiction administered by her. A helpless slave to this addiction and needing her to administer it. She wanted

him to have an intense burning sexual flame requiring more and more petticoat training. Her plan? Constant sexual arousal, long periods of extended chastity and very intense feminization. This is a crossdressing and female domination story. As in all my books, my characters names are fictional. All my characters are over 18 years old.

The Boy Who Was a Bridesmaid Lulu Press, Inc

It was shortly after they were married. Diane began to suspect that her husband Stephen was a crossdresser who was wearing her clothes. Well, if he had a secret, he would no doubt deny it. She decided to document his secret escapades first. If he wanted to dress as a girl, he should have sex as a girl. But given his being secretly recorded in her pretty pink bridal nightgown, it gave Diane an idea. Her husband had some traditional ideas. So his 1st time being made to have sex as a girl should be special. Special occasions should have a special dress. What better than a long formal feminine bridal gown for her husband to wear before his 1st time? So Diane developed an elaborate plan to force feminize her husband, publically expose him dressed as a girl, and then prepare him for his bridal gown. Warning: Don't let your wife or girlfriend learn of Diane's plan because it was perfect. Stephen truly had no option but to be dressed in public as a girl to begin the day, You also will wind up having no choice either if anybody does to you what Diane did to Stephen. Brides need to have their makeup done. They need to have help dressing in their bridal gown. They need to have bridesmaid and maids of honor. They need to have their pictures taken. They need to have a new name. All of this prior to the formal presentation and introduction to their spouse. Diane was going to make sure Stephen got the full complete total treatment. Then, of course, the bridal night. The "mythical" first time she has sex. Well, Stephen was going to get the full treatment here also. Punishment enema, plus punishment oral sex, punishment anal sex, forced consumption, bondage, whips, and cock torture. But the psychological punishment would be equally as bad with suggestions and elements of cuckolding and forced-bi to demean and shame her husband. As the evening progressed, Diane and her family learned even more of Stephen's secrets. Diane already had a plan to make Stephen's mother an unwilling participant in the bridal weekend. But, now, those plans would change. His mother would have a much more expanded and permanent role. Stephen's crossdressing was always a family affair from the very beginning. Now, it would be a much larger family affair. It was time to complete what had been started years before he met Diane. Of course,

This book argues that brother-sister relationships, idealized by the Romantics, intensified in nineteenth-century English domestic culture, and is a neglected key to understanding Victorian gender relations. Attracted by the apparent purity of the sibling bond, novelists and poets also acknowledged its innate ambivalence and instability, through conflicting patterns of sublimated devotion, revenge fantasy, and corrosive obsession. The final chapter shows how the brother-sister bond was permanently changed by the experience of the First World War.
