Reaper of Souls Simon and Schuster

For more than twenty years, the artists behind Diablo have conjured new visions of the heavens and the hells, built nightmarish corridors filled with monsters and demons, and unleashed swarms of malevolent creatures upon tens of millions of players worldwide. Featuring never before seen content, *The Art of Diablo* plunges into the concept, design, and environmental art that has defined the world of Sanctuary and the Eternal Conflict at the core of Blizzard Entertainment's action-packed dungeon-crawling game.

Diablo III: Storm of Light

Simon and Schuster

An exceptionally illustrated fiction for millions of Blizzard fans, *Diablo III: Book of Cain* is the source book for Blizzard Entertainment's Diablo franchise and the best-selling *Diablo III* game, as told by the games' core narrator,

Deckard Cain. In Blizzard Entertainment's *Diablo®* and *Diablo II*, the recurring character of Deckard Cain delivered quests, accompanied the brave adventurer, and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. *Diablo III: Book of Cain* is Cain's formal record of this greater tale—a dissertation on the lore of the *Diablo* universe, told by one who has witnessed and participated in some of the epic events that make up the eternal conflict between the High Heavens and the Burning Hells. Designed as an "in-world" artifact from the *Diablo* universe, *Diablo III: Book of Cain* includes Cain's revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another.

Legacy of Blood Titan Comics

Since the beginning of time, the angelic forces of the High Heavens and the demonic hordes of the Burning Hells have been locked in an eternal conflict for the fate of all Creation. That struggle has now spilled over into Sanctuary -- the world of men. Determined to win mankind over to their respective causes, the forces of good and evil wage a secret war for mortal souls. This is the tale of the Sin War -- the conflict that would forever change the destiny of man. Three thousand years before the darkening of Tristram, Uldyssian, son of Diomedes, was a simple farmer from the village of Seram. Content with his quiet, idyllic life, Uldyssian is shocked as dark events rapidly unfold around him. Mistakenly blamed for the grisly murders of two traveling missionaries, Uldyssian is forced to flee his homeland and set out on a perilous quest to redeem his good name. To his horror, he has begun to manifest strange

new powers -- powers no mortal man has ever dreamed of. Now, Uldyssian must grapple with the energies building within him -- lest they consume the last vestiges of his humanity.

Simon and Schuster The village of Marsdale is a quiet corner of the world, cradled in a remote dale in England's lovely Lake District. The rhythm of life in the deeply religious, sheltered community has not changed for centuries. But in 1936, when Waterworks representative Jack Ligget from industrial Manchester arrives with plans to build a new reservoir, he brings the much feared threat of impending change to this bucolic hamlet. And when he begins an intense and troubled affair with Janet Lightburn—a devout local

woman of rare passion and strength of spirit—it can only lead to scandal, tragedy, and remarkable, desperate acts. From Sarah Hall, the internationally acclaimed author of the Man Booker Prize finalist *The Electric Michelangelo*, comes a stunning and transcendent novel of love, obsession, and the passing of an age.
