DOYLE HARRELL

A Novel Random House

A WASHINGTON POST BEST THRILLER/MYSTERY OF 2017 A PUBLISHERS WEEKLY BEST BOOK OF 2017 "Riveting."---People magazine It's 1965 in a tight-knit working-class neighborhood in Queens, New York, and Ruth Malone--a single mother who works long hours as a cocktail waitress--wakes to discover her two small children, Frankie Jr. and Cindy, have gone missing. Later that day, Cindy's body is found in a derelict lot a half mile from her home, strangled. Ten days later, Frankie Jr.'s decomposing body is found. Immediately, all fingers point to Ruth. As police investigate the murders, the detritus of Ruth's life is exposed. Seen through the eyes of the cops, the empty bourbon bottles and provocative clothing which litter her apartment, the piles of letters from countless men and Ruth's little black book of phone numbers, make her a drunk, a loose woman--and therefore a bad mother. The lead detective, a strict Catholic who believes women belong in the home, leaps to the obvious conclusion: facing divorce and a custody battle, Malone took her children's lives. Pete Wonicke is a rookie tabloid reporter who finagles an assignment to cover the murders. Determined to make his name in the paper, he begins digging into the case. Pete's interest in the story develops into an obsession with Ruth, and he comes to believe there's something more to the woman whom prosecutors, the press, and the public have painted as a promiscuous femme fatale. Did Ruth Malone violently kill her own children, is she a victim of circumstance--or is there something more sinister at play? Inspired by a true story, *Little Deaths*, like celebrated novels by Sarah Waters and Megan Abbott, is compelling literary crime fiction that explores the capacity for good and evil in us all.

Math on Trial Carrie Butler

This book has also been published as *Where the Moon Isn't*. Winner of the 2013 Costa First Award "A stunning novel. Ambitious and exquisitely realized . . . clearly the work of a major new talent." —S. J. Watson, New York Times bestselling author of *Before I Go to Sleep* While on vacation with their parents, Matthew Homes and his older brother snuck out in the middle of the night. Only Matthew came home safely. Ten years later, Matthew tells us, he has found a way to bring his brother back... What begins as the story of a lost boy turns into a story of a brave man yearning to understand what happened that night, in the years since, and to his very person. Unafraid to look at the shadows of our hearts, Nathan Filer's rare and brilliant debut *The Shock of the Fall* shows us the strength that is rooted in resilience and love.

WINNER OF THE WORLD BOOK DAY - BOOKS TO TALK ABOUT PRIZE 2008 WINNER OF THE JOHN LLEWELLYN RHYS PRIZE 2005 WINNER OF THE WAVERTON GOOD READ PRIZE 2005 ?A is for Apple. A bad apple.? Jack has spent most of his life in juvenile institutions, to be released with a new name, new job, new life. At 24, he is utterly innocent of the world, yet guilty of a monstrous childhood crime. To his new friends, he is a good guy with occasional flashes of unexpected violence. To his

new girlfriend, he is strangely inexperienced and unreachable. To his case worker, he's a victim of the system and of media-driven hysteria. And to himself, Jack is on permanent trial: can he really start from scratch, forget the past, become someone else? Is a new name enough? Can Jack ever truly connect with his new friends while hiding a monstrous secret? This searing and heartfelt novel is a devastating indictment of society's inability to reconcile childhood innocence with reality.

Witness the Night HarperCollins

When Zeina was born, the civil war in Lebanon had been going on for six years, so it's just a normal part of life for her and her parents and her little brother. The city of Beirut is cut in two, separated by bricks and sandbags and threatened by snipers and shelling. East Beirut is for Christians, and West Beirut is for Muslims. When Zeina's parents don't return one afternoon from a visit to the other half of the city, and the bombing grows ever closer, the neighbors in her apartment house create a world indoors for Zeina and her brother where it's comfy and safe, where they can share cooking lessons and games and gossip. Together they try to make it through a dramatic day in the one place they hoped they would always be safehome. Zeina Abirached, born into a Lebanese Christian family in 1981, has collected her childhood recollections of Beirut in a warm story about the strength of family and community.

All Decent Animals Samuel French, Inc.

Winner of "Best New Adult" and "Best Series" in the 2014 eFestival of Words - Best of Independent eBook Awards When Rena finds herself nose-to-chest with the campus outcast, she's stunned. Wallace is everything she's ever wanted in a man--except he can't touch her. His uncontrollable strength makes every interaction dangerous. And with a secret, supernatural war brewing among his kind, there's no time to work it out. To keep Wallace in her life, Rena will have to risk a whole lot more than her heart. Keywords: Paranormal romance, urban fantasy, romantic comedy, new adult, college, dorm life, coming of age, rumors, speculative, supernatural

Children of the Jacaranda Tree Simon and Schuster

Qiu Xiaolong's Anthony Award-winning debut introduces Inspector Chen of the Shanghai Police. A young "national model worker," renowned for her adherence to the principles of the Communist Party, turns up dead in a Shanghai canal. As Inspector Chen Cao of the Shanghai Special Cases Bureau struggles to trace the hidden threads of her past, he finds himself challenging the very political forces that have guided his life since birth. Chen must tiptoe around his superiors if he wants to get to the bottom of this crime, and risk his career--perhaps even his life--to see justice done. From the Trade Paperback edition.

The Sea of Tranquility Bloomsbury Publishing

From the bestselling author of *Lucky*--a Reese Witherspoon Book Club pick--comes a captivating novel that explores marriage, motherhood, identity, and what it takes to love someone--family members, friends, or spouses--for life. Former folk singer Helen Sear was a feminist wild child who proudly disdained monogamy, raising three daughters--each by a different father--largely on her own. Now in her sixties, Helen has fallen in love with a traditional man who desperately wants to marry her. And while she fears losing him, she's equally afraid of abandoning everything she's ever

stood for if she goes through with it. Meanwhile, Helen's youngest daughter, Liane, is in the heady early days of a relationship with her soul mate. But he has an ex-wife and two kids, and her new role as a "step-something" doesn't come with an instruction manual. Ilsa, an artist, has put her bohemian past behind her and is fervently hoping her second marriage will stick. Yet her world feels like it is slowly shrinking, and her painting is suffering as a result—and she realizes she may need to break free again, even if it means disrupting the lives of her two young children. And then there's Fiona, the eldest sister, who has worked tirelessly to make her world pristine, yet who still doesn't feel at peace. When she discovers her husband has been harboring a huge secret, Fiona loses her tenuous grip on happiness and is forced to face some truths about herself that she'd rather keep buried. Interweaving the alternating perspectives of Helen, her daughters, and the women surrounding them, "each new chapter brings a wise and tender look at single life, dating rituals, and marital unease" (New York Times bestselling author Jennifer Close). In this "absolute feat of storytelling" (bestselling author Grace O'Connell), Marissa Stapley celebrates the many roles modern women play, and shows that even though happy endings aren't one-size-fits-all, some loves really can last for life.

Middlesex Penguin

Jamie was born with a testis, an ovary, and a pixie face. He can be a boy after minor surgery and a few years on testosterone. Well, that's what his parents always say, but he sees an elfin princess in the mirror. To become the man his parents expect, Jamie must leave behind a little girl's hopes and dreams. At sixteen, the four-foot-eleven soprano goes from home school to a boys dorm at college. The elfin princess can live in the books Jameson reads and nobody has to find out he isn't like other boys. When a medical student tells Jamie that he should have been raised female, Jamie sets out on a perilous journey to adulthood. The elfin princess can thrive, but will she risk losing her family and her education for a boy who may desert her, or a toddler she may never be allowed to adopt?

THE STORY: The Acting Edition contains notes showing how nearly all scene changes may be made with a minimum of effort. People are inclined to laugh at Joe, a moody young Italian with cockeyed notions. At heart a musician—he has a real talent for

The Summer I Wasn't Me W. W. Norton & Company

This transformative guide completely breaks down our current understanding of biological sex and gender diversity. Introducing readers to seven variations of human sex, commonly considered intersex, the book challenges the myth that sex and gender are exclusively binary and explores the inherent diversity of biological sex and its relationship to gender identity and expression, and the impact this has on society. Examining historical, linguistic and socio-cultural understandings of sex and gender, as well as genetic and scientific definitions, the book is an important resource for dismantling gender and sexuality-based discrimination and promoting understanding and inclusivity. Co-written by one of the world's leading intersex activists and a highly respected scholar in biological sciences, and accompanied with detailed anatomical illustrations throughout, this pioneering text is the essential introduction to gender and sex diversity for gender studies, women's studies, biology and genetics courses, as well as professionals working with intersex and trans communities.

The Shock of the Fall Simon and Schuster

A groundbreaking story about a teenage girl who discovers she's intersex . . . and what happens when her secret is revealed to the entire school. Incredibly compelling and sensitively told, *None of the Above* is a thought-provoking novel that explores what it means to be a boy, a girl, or something in between. What if everything you knew about yourself changed in an instant? When Kristin Lattimer is voted homecoming queen, it seems like another piece of her ideal life has fallen into place. She's a champion hurdler with a full scholarship to college and she's madly in love with her boyfriend. In fact, she's decided that she's ready to take things to the next level with him. But Kristin's first time isn't the perfect moment she's planned—something is very wrong. A visit to the doctor reveals the truth: Kristin is intersex, which means that though she outwardly looks like a girl, she has male chromosomes, not to mention boy "parts." Dealing with her body is difficult enough, but when her diagnosis is leaked to the whole school, Kristin's entire identity is thrown into question. As her world unravels, can she come to terms with her new self?

A Perilous Difference Simon and Schuster

Winner of the 2013 Costa First Novel Award (under the title *The Shock of the Fall*) "A stunning novel. Ambitious and exquisitely realized . . . clearly the work of a major new talent." —S. J. The Million Pieces of Neena Gill Macmillan

Born a boy and a girl but raised as a boy, Wayne or "Annabel" struggles with his identity growing up in a small Canadian town and seeks freedom by moving to the city.

Penguin

Haunted by history. Bound by mystery. Lori Chase doesn't know what to think about ghosts. She may have seen a few in the past, but those were just childish imaginings . . . right? Only now that she is living in Gettysburg, Pennsylvania, spirits seem to be on everyone's mind. The town is obsessed with its bloody Civil War history, and the old inn that Lori's parent run is supposedly haunted by the souls of dead soldiers. Then Lori meets one such soldier -- the devastatingly handsome Nathaniel Pierce. Nathaniel's soul cannot rest, and he desperately needs Lori's help. Because Nathaniel was not killed in the famous battle. He was murdered. Lori begins to investigate the age-old mystery, stumbling upon shocking clues and secrets. At the same time, she can't help falling for Nathaniel, just as he is falling for her

[A Novel!](#) Macmillan

Mixing humour, heartache and science, award-winning comedian, author and accidental relationship guru Rosie Wilby embarks on a quest to investigate, understand and conquer the psychology of heartbreak. Tragedy plus time equals comedy, right? In 2011, comedian Rosie Wilby was dumped by email... though she did feel a little better about it after correcting her ex's spelling and punctuation.

Obsessing about breakups ever since, she embarked on a quest to investigate, understand and conquer the psychology of heartbreak. That quest proved to be a creatively fertile one, resulting in Rosie's acclaimed podcast 'The Breakup Monologues'. She decided to ask her colleagues on the circuit about their experiences of romantic disaster and recovery, thinking, 'if one group of people have become adept at learning from catastrophe it is comedians. The worst onstage deaths are the performances that enlighten us most about how to improve.' She wondered if comics had been able to transfer this 'fail better' logic to love. This book is a love letter to her breakups, a celebration of what they have taught her peppered with anecdotes from illustrious friends and interviews with relationship therapists, scientists and sociologists about separating in the modern age of ghosting, breadcrumbing and conscious uncoupling. Her plan is to assimilate their advice and ideas in order to not break up with Girlfriend, her partner of nearly three years. Will this self-confessed serial monogamist, and breakup addict, finally settle down?

A Novel Picador

Presenting themselves to the world as an effortlessly excellent family, successful criminal lawyer Karen, her Parliament candidate husband and her intelligent athlete son, Max, find their world crumbling in the wake of a friend's betrayal and the secret about Max's intersexual identity.

Annabel Simon and Schuster

In the wrong hands, math can be deadly. Even the simplest numbers can become powerful forces when manipulated by politicians or the media, but in the case of the law, your liberty -- and your life -- can depend on the right calculation. In *Math on Trial*, mathematicians Leila Schneps and Coralie Colmez describe ten trials spanning from the nineteenth century to today, in which mathematical arguments were used -- and disastrously misused -- as evidence. They tell the stories of Sally Clark, who was accused of murdering her children by a doctor with a faulty sense of calculation; of nineteenth-century tycoon Hetty Green, whose dispute over her aunt's will became a signal case in the forensic use of mathematics; and of the case of Amanda Knox, in which a judge's misunderstanding of probability led him to discount critical evidence -- which might have kept her in jail. Offering a fresh angle on cases from the nineteenth-century Dreyfus affair to the murder trial of

Dutch nurse Lucia de Berk, Schneps and Colmez show how the improper application of mathematical concepts can mean the difference between walking free and life in prison. A colorful narrative of mathematical abuse, *Math on Trial* blends courtroom drama, history, and math to show that legal expertise isn't always enough to prove a person innocent.

Golden Boy Hachette Books

A riveting, brilliantly written debut novel, *The Death of Bees* is a coming-of-age story in which two young sisters attempt to hold the world at bay after the mysterious death of their parents. Marnie and Nelly, left on their own in Glasgow's Hazlehurst housing estate, attempt to avoid suspicion until Marnie can become a legal guardian for her younger sister. Written with fierce sympathy and beautiful precision, and told in alternating voices, *The Death of Bees* by Lisa O'Donnell is an enchanting, grimly comic tale of lost souls who, unable to answer for themselves, can answer only for each other.

City of Women Grove/Atlantic, Inc.

Still reeling from the death of his older brother, a sixteen-year-old track star befriends a street-fighting rebel and together they search for redemption amidst the social changes of 1968.

The Death of Bees Simon and Schuster

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. *Middlesex* is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.
